

Curriculum Committee

The College Curriculum Committee is composed of faculty and administrators for the purpose of addressing college-wide concerns about curriculum development and growth.

Composition and Organization:

1. Members are appointed for three-year staggered terms, renewable.
2. Appointees may be both re-appointed and self-nominated.
3. Chairs/directors and associate deans recommend membership to the dean.
4. Associate dean for curriculum serves as chair of the Curriculum Committee.
5. Additional committee membership includes director of CLA General Studies, director of General Education, plus seven to ten faculty members, including at least two each from social sciences, humanities, and arts. It is desirable to have among them faculty who concurrently serve on the Academic Affairs Committee and/or the Catalog Subcommittee of the Faculty Senate.

Curriculum Committee Membership: AY 2009–2010
