

Dean's Advisory Committee on Tenure & Promotion

The committee purpose is to review faculty materials submitted for third-year (mid-term) pre-tenure review and materials submitted for tenure and promotion. A committee advisory recommendation is submitted for each case to the dean.

Composition and Organization:

1. Six to eight tenured faculty serving three-year staggered terms appointed by the dean.
2. At least three full professors.
3. Committee selects chair to coordinate activity for each review sequence and produce committee report and tally individual votes.
4. Only full professors vote on promotion to full professor.
